Postponement of the Verden Auction Online

"Bid Up" starts on Saturday, 28 January at 2 p.m.

Due to technical problems, the current online riding horse auction will be finally postponed to Saturday, January 28, 2 p.m. Until then, the young horses can also be tried out in Verden.

The talented and carefully selected riding horses will remain in their boxes at the facilities of the Niedersachsenhalle. Interested parties have the opportunity to try out their favourite candidate with a previously arranged appointment with the customer advisors of Hannoveraner Verband until next Saturday. The collection is headed by the For Cruise/Destano son Feivel (breeder and exhibitor: ZG Fiedler, Bahrenborstel). This eye-catching dressage horse has already placed in tests for young riding horses. Lot number three is the first jumper of the January collection. Peak Performance by Plot Blue/Stolzenberg (breeder: Hedda Brandt-Haydn, Bendestorf; exhibitor: Schulze-Averdiek Sportpferde und Aufzucht GbR, Rosendahl) is a striking jumper with a clear sport perspective.
