Premiere of Hannoveraner Verband's foal auction online: „Breeder's Offer“ with attractive foals

Verden. Another foal offer celebrates its premiere: On June 25, foals will be auctioned online directly from breeders. 58 interesting dressage and jumping foals have been placed in the virtual auction showcase by the breeders. The bidding will start on Sunday, June 25, at 2 pm CET. Bids can already be placed on the internet for the highly interesting representatives of the foals born in 2023.

The pedigree spectrum of the first "Breeder's Offer" is broad. No less than 58 breeders took advantage of the additional marketing opportunity that was created for the first time in 2023. All foals went through the usual check and entered the Verden video stadium with all its possibilities. The collection has already been available on the internet for two weeks and currently holds the interim highest bid of almost 10,000 Euros with a strong moving filly by Eastwood/Apache. See – bid – enjoy: According to this motto, breeders and the Hannoveraner Verband are excited about the Bid Up on the coming Sunday at www.verdener-auktion-online.com.

There will be two special offers: On Sunday, August 27, the second online auction of the "Breeder's Offer" will take place.
