Verden Auction Online – Foals and broodmares

Verden. Everything is new in autumn. September 7 is exactly the right time to purchase one of the 48 young prospects for dressage and show jumping at the Verden Auction Online – foals and broodmares. Bids can already be placed online before the final bid up starts on Thursday at 7 pm.

The stallions Secret, Bonds, Bon Courage, Fürst Belissaro, Diathletico and Conthargos are just a few of the well-known sires in this online collection. The Va Bene/Don Martillo daughter Vaiana (breeder and exhibitor: ZGJ Landwirtschafts GmbH, Calau), the champion foal of the foal show at Bonhomme Stud, marks the beginning of the Online Auction. The Contagio/Quintender son Countach (breeder and exhibitor: Karen Eickhoff, Syke) not only has an excellent jumper pedigree, but also left the Brokser mare and foal event as the champion foal. But also a highly interesting brood mare with the best pedigree for all dressage lovers is waiting for a new owner!
